Vote for Burgess, JOHN K. HEIN serving his 12th year in Council. A Clean Administration Guaranteed

THE CHARLEROI MAIL

VOL. XVIII. NO. 78. CHARLEROI, WASHINGTON CO., SATURDAY, SEPTEMBER 15, 1917 ONE CENT

TO HOLD COUNTY ELIMENTARY INSTITUTE HERE SEPTEMBER 29

Many Prominent Speakers Will be Present to Discuss Various Topics

MEETINGS IN BAPTIST CHURCH

The Annual Institute of the Elementary Division of the Washington County Sabbath School Association will be held in the First Baptist church, Charleroi, on Saturday, September 29. The morning session will open at 10:00 a. m. and the afternoon at 1:30

Miss Katherine McGough of Monongahela will speak on "The Relation of parent and teacher.

Mrs. S. W Berry, Junior Superintendent of the Oakland Avenue M. E. S. S., Pittsburg will talk on "Value of handwork to the Junior." Mrs. Berry will bring with her the handwork made in her school which is to be exhibited at the State S. S. Convention this fall.

"Stories and Story Telling" will be discussed by Miss Margaret Clancy, Elementary Superintendent of the First Presbyterian S. S., Pittsburg. In addition to these topics 25 other elementary experts will take part during the Conference, which will cover all phases of Elementary work

Parents as well as teachers of children under twelve years of age are urged to attend this meeting. Other notices of the meeting will appear from time to time

SMALL BOY RUNS AWAY FROM HOME

Paul Vida, aged nine years of 178 Third street, Monessen, arrived in Charleroi this morning after spending a day and a night on a little excursion which carried him as far as Pittsburg. Paul says that another boy, aged 12 and who had some money, invited him to take a street car ride to Eldora park. Afterboarding the car, instead of getting off at Eldora they kept on the way and finally landed in Pittsburg, where Paul was deserted by his companion and allowed to shift for himself. Last night he "slept out," as the boy expressed it and this morning was picked up by the Pittsburg police, who put him on a Charleroi car to bring him back home. He was brought to Fifth street where he was met by Chief Albright. Paul was hungry and his face was dirty, but he was ready to go back home. The Chief got him his breakfast, after which the boy was sent to his parent in Monessen.

PARTY HELD IN HONOR OF HARRY WORTHINGTON

The Young People of the Christ Lutheran church of Charleroi held a party at the home of Mr. and Mrs. D. F. Worthington on Prospect avenue Friday evening in honor of their son Harry B. Worthington, who is spending a ten day furlough at home. Mr. Worthington has been stationed with the U. S. Marine Corps at Norfolk, Va. Games and music were the diversions of the evening. Lunch was served by the hostess.

REV H. C. GLEISS WILL PREACH SUNDAY

Rev. H. C. Gleiss, Secretary of the Pittsburg Baptist Association, will preach morning and evening at the First Baptist church. This will be the last visit of Dr. Gleiss as Secretary of the Pittsburg Association, as he leaves on the first of October for Detroit, Michigan to fill the same office there.

EXPECT TO GET QUOTA

Exemption Board Believes Number Will be Obtained from New List

PASS ON PAPERS AT ONCE

One hundred and forty-five men were examined by the Fifth District draft board at Donora on Friday, closing up the week's work of the examination of the 400 additional registrants summoned by the Board last week. The examining surgeons were much pleased with the men examined on Friday and believe that it will be possible to secure the balance of the men necessary to fill out the quota of this district. As soon as the papers of the men examined this week are gone over and passed upon the names of those selected for the new army will be forwarded to the District Board at Greensburg

So far no additional instructions have been received by the local board from the state draft headquarters as to sending forward the necessary 40 per cent the latter part of next week. Until some further word is receivd, or until such time as the necessary number of men come forward and volunteer to go, the Board is temporarily blocked. However, it is expected that affairs will be adjusted satisfactorily next week.

Men who are to report at Camp Sherman in the next consignments are advised to take with them two heavy suits of underwear, comfortable shoes, not low cuts, warm clothing, two towels and the necessary toilet articles. It will be some time before uniforms are available and drafted men will be compelled to provide their own wearing apparel. Owing to the season of the year this should be comfortable.

PLATE GLASS WATER TANK BEING REMOVED

The old water tank at the plant of the Pittsburg Plate Glass Company opposite the Pennsylvania Railroad passenger station is being torn down. This tank was one of the landmarks of Charleroi, being erected shortly after the completion of the original plant. Having served its usefulness it is now being removed.

WILL SEND MEN NEXT FRIDAY

The draft board of the Fifth District received word from Harrisburg at noon today to send 175 men to Camp Sherman Friday September 21, on the 12.55 train These men will assemble at Donora where they will receive all necessary instructions. Headquarters in that town will be open there from Monday morning until the departure of the men. As the board has only certified 205 men and as 22 have already been sent to camp it is left to the registrants of the district and who have been examined to volunteer. Any man who has been examined and not exempted is eligible to this list. Those desiring to volunteer can see John O. Watson, North Charleroi; Gilbert E. Koedel, Donora or Dr. C. B. Wood, Monongarela.

DISTRICT MEETING OF TEACHERS SUGGESTED

County Superintendent Crumrine is suggesting to the teachers of Washington county that they hold frequent meetings together with the directors of their respective districts and talk over matters in common pertaining to their work in the school room and in addition a suggestion is made that contiguous districts unite in holding a few educational meetings during the term just beginning. It is also suggested that teachers of the various groups outlined by the Superintendent hold meetings at an early date to outline their activities for the winter. Local districts suggested are as follows:

No. 7—Roscoe, Long Branch, Stockdale, Allen, Dunlevy, Speers and Twilight.

No. 17—North Charleroi, Fallowfield, Carroll, New Eagle.

No. 18—Ellsworth, Bentleyville, Somerset and Cokeburg.

MOSQUITOES ARE BIG IN GEORGIA

Burgess S. L. Woodward is in receipt of a letter from Jack Carroll, now with Company A, Tenth Regiment at Camp Hancock, Augusta, Ga., in which hes ays—"The state of Georgia may be all right, but it does not have anything on the Keystone State. About all you can see down here is watermelons and cotton plantations, and as for the colored folks, believe me there are "aplenty" of them here. Social conditions are radically different here from what they are in the North, with reference to the Negro, and it is a rather strange experience for you to encounter, particularly when it is all new to you.

"Our camp is a large one, as it covers over 12,000 acres of land and over this acreage about 27,000 soldiers will soon be maneuvering and undergoing intensive training. We understand we will be here until after the holidays. The men who came with the advance details have been doing guard duty and "grubbing," but "holy smoke," the mosquitoes here, they are as big as birds and when they bite you it leaves a swelling as large as an egg. The cotton plantations look like large fields of snow, but believe me, the feeling is far from being cool.

"You can get all the watermelons you want for 5 cents each. All of the boys are in good health, but we will have to undergo another physical examination for the tuberculosis test. It may be that a few boys will be sent back home but we hope not. With best wishes for all, I remain,

Jack Carroll,
Co. A, Tenth Penna. Infantry
Camp Hancock, Ga.

TO SOLICIT FOR FRENCH REFUGEES

Mrs. Mary Hanna and Mrs. Catherine Fay have been appointed by the French Relief Society of Charleroi of which Mrs. A. W. Day is President, to solicit old clothing, shoes and money for the relief of refugees and worthy poor in France. This society has been formed since the visit of Madame Ritz a few weeks ago, and who told of the miseries and woes of the refugees and the returned soldiers due to the war now in progress in Europe. It is for the purpose of relieving the necessities of these people that the local society will ask the contribution of cast-off clothing and shoes that can be repaired, as well as money, if any are disposed to contribute cash. This work is a most worthy one and the promoters hope for a very generous response on the part of the people of Charleroi The collections and solicitations will be made next week.

FIRST SILLS PLACED FOR NEW FOUNDATION

The mud sills for the new foundation for that part of the dam at Lock Four to replace the "break" made last winter were sunk this morning under direction of Superintendent George S. Nutt. The drege boat, after being at work for several days, had prepared a fine resting place for the sills and everything being in readiness, they were sunk this morning. Timber work will be placed on top of these sills and built to the top of the water, the cribbing in the meantime being filled with heavy stone. This crib work will form the foundation for the new dam, which will eventually replace the temporary structure which has done such splendid service for several months and which has kept pool No. 4 at a navigable stage all through the summer season. All of the preliminary work for the new dam is progressing nicely and if the engineers are favored with low water for a couple of months, splendid progress will be made on the improvement.

CHARLEROI NIGHT SCHOOL TO OPEN EARLY IN OCTOBER

Many Branches Will be Taught to Pupils Who Enroll for Term

WILL CONTINUE 20 WEEKS

The Charleroi school board has authorized the re-opening of the night school for two nights each week, during a period of twenty weeks, provided there is sufficient interest on the part of those whom it is sought to benefit.

Arrangements for the night school are in the hands of Superintendent Pollock, who has announced that sessions will be held in the high school building on Tuesday and Thursday nights of each week during the period beginning October 2nd. A registration fee of $5 is required from all those who desire to register and in return they will receive instruction in mechanical drawing, shorthand, typewriting, bookkeeping, with a possibility of arithmetic and English, while domestic science and a course in citizenship may be added if there is a sufficient demand.

There must be at least twelve students to make the classes a success, otherwise the school will not open. Expert teachers will be provided for every branch enumerated above and those who contemplate taking advantage of these night classes can call Pollock by phone at high school building or see him personally at his office to make the necessary arrangements. As only a limited number of students can be accommodated it is necessary that the school officials know as soon as possible how many desire to take up this work. Last year the night school was quite a success and it is hoped that it will be equally as successful this year.

MRS. WHIPKEY ENGAGED IN CHAUTAUQUA WORK

Mrs. A. J. Whipkey who has engaged in Chautauqua work all summer left for Philadelphia the first of the week, having received a splendid offer from the Chautauqua Association of Pennsylvania. At the present time she is located at Friendship in the western part of New York, looking after Chautauqua bookings for next season.

WAR GARDEN EXHIBIT OPEN

Splendid Display of Vegetables is Now on Exhibition at Show Room

SPECIMENS ARE SPLENDID

Visit the war garden exhibit at 423 McKean avenue. It will be a revelation. The vegetables on display are mostly from the gardens raised in and around Charleroi during the past summer and the exhibition is certainly gratifying. There are cabbage and cauliflower, tomatoes and potatoes and in fact about everything that can be raised in a garden. And the specimens exhibited certainly show that those who did part of their "bit" in the way of increasing the food supply were highly successful.

Mrs. H. W. Tweed and Mr. Darby, who are actively in charge of the exhibit have worked hard for its success and they have certainly accomplished wonders. The judging of exhibits took place this afternoon at 3 o'clock, while the prizes will be awarded at 7:30 After the prizes have been announced and at the close of the exhibition an auction sale will take place to dispose of the exhibits, if those who have articles on display wish to have them sold. The money realized from the sale will be turned over to the Red Cross or to some worthy charity as the donor may wish.

Anyhow, be sure to visit the exhibit. It will be well worth the time of any Charleroi citizen.

TOWING STONE FOR REPAIRS AT LOCK TWO

The steamer Kittanning left Lock Four this morning, having two barges of stone in tow, which will be used to fill the big hole which the water washed out below dam No. 2 recently. The government officials have this "break" practically repaired and with the addition of the stone now being placed will have the dam in good shape for the winter season.

UNDERWOOD SAYS:

"I have made many enemies during my term as County Controller. But not one of them became my enemy until his method of spending public money met with my disapproval. Have I a single political enemy whose enmity is based on friendship for the taxpayers?" 78-t1

FORMER CHARLEROI MAN KILLED AT ERIE

Albert Irvin Spicer of Wesleyville, Pa., was killed Thursday, September 6th at plant No. 5 of the General Electric Company at Erie, Pa. A chain hooked over on "I" beam, slipped and hurled him twenty feet to the floor of the plant. He died almost instantly. He had been an employe of the plant for the past five years. He is survived by his widow and five small children, the oldest being 13 and the youngest two years old. A coronr's jury investigated the circumstances and found that death was accidental. The funeral was held at his late home at 2 o'clock Sunday afternoon services being conducted by Rev. Carr pastor of the M. E. church of which Mr. Spicer was a member. Mr. Spicer was formerly a resident of Charleroi, having been employed by the Charleroi Coal Works for a number of years. He was a brother-in-law of Mrs. W. E. Stiger of Shady avenue.

Attention Hunters

Resident Hunters license for the season of 1917 can now be procured from Paul R. Nutt, Justice of the Peace, 435 McKean avenue, Charleroi, Pa. 78-tf

MAY BE AN INCREASE

A peculiar condition exists in the bituminous coal markets. Buyers declare it is impossible to buy coal at $2 per ton, because they say there is none to be had at that price. Many of them are offering higher prices, but the operators are afraid to accept the offers.

The fuel administrator has announced that individual operators may be granted permission to charge a higher rate if they establish the fact that their mines are efficiently operated and that they cannot produce coal at $2 per ton. They are required to submit costs for the past three years. As many of them have only recently began operations they cannot make a comparison of costs.

One thing has been demonstrated by the $2 price and that is, that production has been materially curtailed. It is intimated that provisional prices may be increased ten per cent, but even this concession will not rescue many of the operators from the plight which the government-fixed price put them.

Whatever is done in this respect must be done quickly. With restricted production and increased demands a fuel famine just as we are about to enter the fall and winter months would be a calamity indeed.

Card of Thanks.

We wish to thank our friends and neighbors for their kindness during the sickness and death of our mother and grandmother and also for the many beautiful floral tributes.

Mr. and Mrs. F. Lambermont and Family. 78-t1

HIGHWAY ROBBERY NEAR VAN VOORHIS

A particularly bold robbery took place near VanVoorhis on Wednesday afternoon, when a man named Howard Flesher was held up and robbed of $70 by three masked men Flesher was walking along the public road at the time when the three men suddenly appared from behind some bushes, and pointing a revolver at the victim demanded his money, which Flesher was compelled to allow them to take. After the robbery he went to a house not far from the scene from where officers were called Constable Jericho of Monongahela responded and made a round up in a boarding house at VanVoorhis, but Flesher was unable to identify any of the men.

Those fellows who have been in the habit of starting the day with a big drink of water, and then passing it up for 24 hours are likely to be hard hit by the cessation of distilling operations.

BLUFF OR BUSINESS

WHICH?

Mr. Taxpayer!

Do you want the Controller's office to be one of Bluff or Business? That is the issue in the campaign being waged for the Republican nomination for Controller.

UNDERWOOD STANDS FOR BLUFF
MIKESELL STANDS FOR BUSINESS

MR.VOTER—You know and everybody knows that the "advertised record" of the present Controller is as Foolish as it is Untrue

Underwood Has Been a Liability Not An Asset to the County

With a brass band and hammer and tongs he has vainly attempted to make the taxpayers believe that he has been Saving them Money. Instead he has been wasting it. Yours and every other taxpayer's. Business has been interrupted and many important undertakings stopped in order that he might appear to be working for you.

He has been working for Himself, Playing a Game of Bluff, as if the Controller's Office was his own private property and not one to be conducted for the interests of all the people.

Every Case Underwood Has Taken Into Court Has Been THROWN OUT With the Court's Reprimand

The best evidence of the present Controller's incompetency, inconsistency and obstinancy is shown in the fact that every time he has gone into court on the merits of any case between him and the Commissioners he has been thrown out. And he has boasted that the cases were only taken up to advertise himself. **Is that the kind of a Man Fitted for this important position? Is this the sort of an administration you want?**

A Vote for Mikesell is a Vote for Business

If nominated and elected Mikesell will conduct the office on the Square—independent of factions, without brass bands, but quietly, efficiently, honestly with due respect to the rights of every citizen.

Vote for Mikesell for Controller
First on the Republican Ballot

A WOMAN'S BACK

The Advice of This Charleroi Woman is of Certain Value.

Many a woman's back has many aches and pains.

Oft times 'tis the kidneys' fault.

That's why Doans Kidney Pills are so effective

Many Charleroi women know this

Read what one has to say about it:

Mrs. Fred Jackson, 207 Prospect avenue, Charleroi, says: "I was troubled by a constant backache. If I did a little extra work the pain in my back was intense. I didn't rest well at night and got up in the morning lame and stiff. If I stooped, sharp pains caught me and I could hardly straighten. I also had rheumatic pains in my back and arms and I couldn't do any sweeping. Dizzy spells and hot flashes bothered me terribly. As Doan's Kidney Pills had been used in the family, I got a box at Piper Bros.' Drug Store and began taking them. One box practically cured me."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that cured Mrs. Jackson. Foster-Milburn Co., Props., Buffalo, N. Y. 40

Renewal Of Charter

Notice is hereby given that there will be a meeting of the stockholders of Bank of Charleroi, chartered under the laws of the Commonwealth of Pennsylvania, at the Office or Place of business of said Bank of Charleroi, corner of Fallowfield Avenue and Fifth Street in the Borough of Charleroi, Washington County, Pennsylvania, on the 8th day of November A. D., 1917, from 2 o'clock p. m. to 3 o'clock p. m. to vote for or against the proposition to renew and extend the charter, corporate rights and franchises of said Bank of Charleroi in accordance with and under the provisions of the Act of Assembly of May 10th, 1889, P. L. 185, for the period of twenty years from the 17th day of January 1918, the date upon which said Bank's present charter, corporate rights and franchises expire.

Kerfoot W. Daly,
Cashier.
William I. Berryman,
Solicitor.

VOTE FOR

John G. McIlvain

FOR

Tax Collector

All my life since voting age a REPUBLICAN.

I court NO DEMOCRATIC FAVORS at the Primaries, and for that reason am supporting Underwood and Valentour for Controller and Recorder.

Mr. Voter:---Size me up for what I am and what I have been to Charleroi.

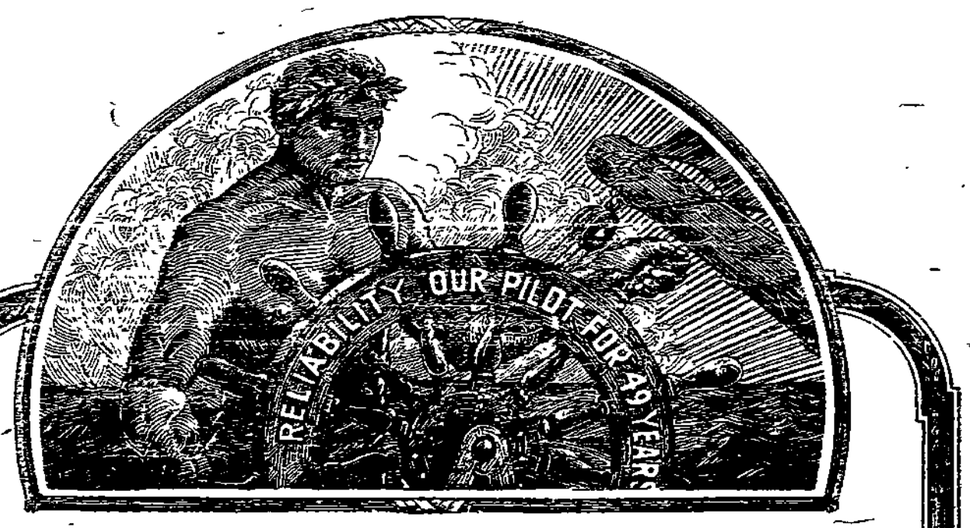
I have always given my best efforts to Charleroi and it's people and I know they are not ungrateful.

Help me win with your vote.

THE ROSENBAUM CO

LIBERTY · SIXTH · AND · PENN

"S&H" Green Trading Stamps in Addition to Best Values



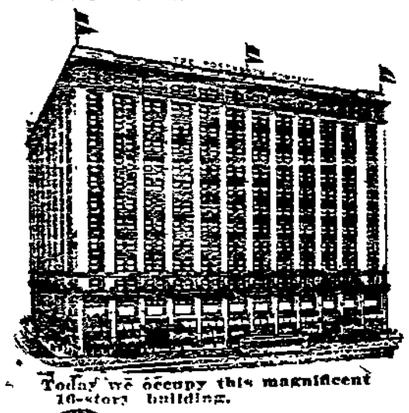
49TH ANNIVERSARY

The start in 1868, at Nr. No. 76 Market street.

Will Be Celebrated On Next Monday, Sept. 17

RELIABLE goods—reliable qualities—reliable styles—reliable service. Upon these principles "The Store Ahead" has grown—prospered—as Pittsburgh has grown so has this institution.

Showing the progress during the years 1890 to 1915. In 1915 the Rosenbaum Company occupied all these buildings.



Today we occupy this magnificent 10-story building.

Reliable Merchandise

A store—a reliable one—is judged by the selection of its goods—for quality, for style, for workmanship. Strictly adhering to a highly critical standard—maintaining it for 49 years—has made this the powerful and well-thought-of institution that it is.

A cordial invitation is extended to the public of Pittsburgh and vicinity to benefit by the 49th Anniversary Sale to be observed beginning Monday, Sept. 17

The Rosenbaum Co.

Who saved the taxpayers from the Trinity Hall grab of $150,000?

County Controller T. J. Underwood

Who saved the taxpayers from having the County Home coal sold at $50,000 less than its value?

County Controller T. J. Underwood

Who saved the taxpayers from the expenditure of $10,000 for a special road bond election?

County Controller T. J. Underwood

Who opposes T. J. Underwood as a candidate for re-nomination for County Controller?

O. Evans Mikesell

O. Evans Mikesell in his term of Sealer of Weights and Measures since July, 1912, has not made one prosecution under the Act creating his office.

The Council of the borough of Donora has petitioned both him and the County Commissioners, demanding that he come to their town and inspect the weights and measures for the first time in four years.

Do you intend to name a man for County Controller who has never kept a set of book nor even made a report upon his work in the administration as Sealer of Weights and Measures?

A vote for Underwood is a vote against the hand picked candidate of John O. Watson and Tom P. Sloan and their bi-partisan machine.

By National Emergency Food Garden Commission

FRUIT JUICES

Fruit juices may be made to take the place of butter, says today's bulletin of the National Emergency Food Garden Commission which is offering $5,000 for the best canned vegetables.

Practically any fruit may be used in the following recipe: The fruit juice may be pressed out of the fruit by means of a cider press or any other improvised press, then heated in an acidproof kettle up to 110 degrees Fahrenheit. Pour the fruit juice into ordinary hot jars, hot bottles or tin cans and handle by the same directions as those for canning the particular fruit itself. If poured into miscellanous bottle, it is suggested to sterilize the fruit juice according to the following process:

Make a cotton stopper and press into the neck of the bottle and leave during the sterilization period. Set bottles in hot water up to the neck of the bottle, sterilize the fruit juice for 40 minutes at a temperature of 165 degrees Fahrenheit. Remove the product, press cork in top over cotton stopper immediately. No. paraffin need be used if the cork fits well. If a poor cork, it may be necessary to dip the cork in a melted solution of wax or paraffin. Fruit juices and apple cider when handled in this way will not "flatten in taste" and will keep fresh for future use.

The Commission is receiving scores of applications from community clubs fairs, exhibits and expositions for permission to make prize awards. Indian schools are also in the race for the Commission's prizes. The Commission will give $5,000 and 1,000 National Certificates of Merit for the best canned vegetables grown in war gardens.

Next Year's Seed.

Steps should be taken now to secure good seed for next year's planting of beans, says today's bulletin of the National Emergency Food Garden Commission which is offering $5,000 for the best canned vegetables grown in war gardens.

Every bean grower should at once secure these seeds either from his own crop or from fields which he knows to be free from anthranose and blight.

The use of good seed—properly ripened, plump, intact and free disease—is essential for securing large yields. It is crop insurance for growers to lay in their seed supply while there is still opportunity to inspect the fields or they can pick from the cream of commercial stock instead of having to take whatever may be available next spring.

Of course, seed from carefully selected, clean pods grown in one's own seed plot are safest. Once the beans have been thrashed it is difficult to detect all which have come from diseased pods.

From all sections of the country applications are being received by the Commission for the privilege of making prize awards offered by the Commission for the best canned vegetables. One thousand $5 prizes and the same number of National Certificates of Merit will be awarded, the winners to be selected at community exhibits, garden centers, fair and exposition.

P. S. Ridsdale, secretary of the Commission, is filing the prize applications and announcement will soon be made of the organizations which have been designated to award prizes.
